Kronen Combi Cutter KKS 1 – 3

One device for 3 applications: Slices – Segments - Sticks

Slicer 5,5 mm for tomatoes and citrus fruits

Segment Cutter for tomatoes and citrus fruits
(with 6- or 8-way cutting star)

Stick Cutter 10x10mm for vegetables

New Kronen KKS 1 – 3: One device to cut slices, sticks or segments

Compact device for up to 3 applications on space of a DIN-A4 sheet. Choose between a single or all three cutting inserts, depending on what you actually need.

With the Kronen KKS you'll be able to cut tomatoes, lemons and oranges in either slices or segments and vegetables like carrots, cucumbers, kohlrabi or potatoes in perfect 10x10mm sticks. That's possible simply by changing the cutting insert and pusher. Handling couldn't be any easier.

The device is completely made out of stainless steel and dishwasher proof.
